Instructions: Worksheets are graded mostly on completion and partially on correctness. Please write complete solutions showing explanations and key steps to the following problems, unless it says otherwise.

Orientation

1. On this paper:

   - Write your name, year, and major.

   - Explain:
     - your background experience in computer programming.

     - your anxieties and fears about computer programming.

     - your hobbies.

   - Write an encouraging message to yourself six weeks from now.

2. Pair with another student and share what you wrote.

3. Submit your work.
